The Nevada County Concert Band began in the 1850's as an all-brass band organized by Cornish miner immigrants that played for parades and community celebrations. The Nevada County Concert Band grew out of these roots and developed into one of the most active bands in the region. It is a group of 50 community volunteers having different backgrounds and levels of musical experience, whose ages range from young students in their teens to middle-aged working people and older retirees.

Under the baton of its resident director Henry Hansen for the past seven years, the band is well known locally for its rousing performances of Sousa marches and popular show music. Mr. Hansen is particularly proud of the band's continuing musical development in an ever-expanding repertoire of historical folk music.

The band performs free concerts throughout the year for many events, such as the Fourth of July and Constitution Day parades. This year, in conjunction with its annual summer Pioneer Park Picnic Pops Concerts series, the band presented four concerts in honor of California's Sesquicentennial celebration of statehood.

The California Gold Discovery to Statehood Sesquicentennial commemorates the 150th anniversary of the discovery of gold in 1848, the Gold Rush of 1849, and the culmination of California's admittance as the 31st state in the Union in 1850.

Resident Conductor – Henry Hansen

Henry Hansen's association with the band began in 1985 as a conductor and clarinetist. Henry continues to participate in other music organizations and ensembles. He has been a player in the Sierra Nevada Winds, the Twin Cities Chamber Players, the Sierra Community Symphony, the Foothill Symphony Orchestra, and the CSU-Sacramento Clarinet Choir. He has played for productions by the Foothill Theater Company, the Nevada Union Theater, and the Community Players. Henry has also organized and performed in house concerts for the Sierra Musical Arts Association.

Concert Announcer – Jack Stewart

In addition to being a clarinetist, Jack Stewart is also the Voice of the NCCB, adding his sometimes ribald, usually humorous, but always informative commentary to our programs. Jack has been involved with the band since 1987.

Special Recognition

The Nevada County Concert Band would like to express its appreciation to two of its former officers for their outstanding dedication and performance during their tenures in office. All of us in the Nevada County Concert Band are in your debt:
