

Nevada County Concert Band Picnic and Pops Concert #2 is on tap for Sunday, July 22, 5-7 p.m. at Pioneer Park, Nevada City (Nimrod and Park Streets). The theme, "A River Runs Through It," features water-referenced music, such as a Mancini medley and jazz vocal soloist Sarah Pressler with "Cry Me a River." A grandmother-grandson will play for the first time together. Kathleen Kaplan of Foster City will play percussion while grandson Elisha Sears from Fallon, Nevada, will play clarinet. Also participating is the non-profit South Yuba River Citizen's League (SYRCL), which will share some concerns and opportunities about our county's rivers. The concert is free, but donations are gratefully accepted. Go online at [www.nccb.org](http://www.nccb.org), e-mail the band at [nccbband@yahoo.com](mailto:nccbband@yahoo.com) or telephone (530) 272-6228. Aug. 26 is the next concert, "Where the Wild Things Are."
